 Manish Kumar

PROFESSIONAL SUMMARY

- ❖ Highly motivated Full-Stack Developer with a passion for crafting user-centric software solutions. Seeking opportunities to leverage my full-stack expertise and contribute to projects in a dynamic environment.

TECHNICAL SKILLS

- ❖ **Languages:** JAVA, HTML, CSS, JavaScript
- ❖ **Databases:** MySQL, MongoDB
- ❖ **Tools & Frameworks:** React.js, Node.js, Express.js, Bootstrap, Tailwind, Git & GitHub, VS Code
- ❖ **Container Technology:** Docker

EXPERIENCE & ACADEMIC PROJECTS

- ❖ **CHAT CONNECT | PROJECT** ([Link](#))
 - Demonstrated proficiency in utilizing Node.js, React, JavaScript, MongoDB, and Socket.io to develop a real-time chat application, showcasing strong full-stack development skills.
 - Designed and implemented WebSocket-based real-time messaging features using Socket.io, enabling seamless, instant communication between users on the platform.
 - Developed robust database schemas and utilized MongoDB to store and manage user profiles, chat histories, and other application data, ensuring efficient data retrieval and storage.
- ❖ **APPLE WEBPAGE CLONE | PROJECT** ([Link](#))
 - Developed a clone of a prominent Apple webpage using modern web technologies including React.js for frontend interactivity, Tailwind CSS for rapid UI development with utility-first classes, and GSAP for creating smooth animations and transitions.
 - Integrated a visually appealing video carousel using GSAP animations to showcase dynamic content seamlessly. Implemented features like autoplay, navigation controls, and responsive design to ensure optimal user experience across devices.
- ❖ **MEGA BLOG | PROJECT** ([Link](#))
 - Developed a full-stack blog website using React for frontend user interface, Redux for state management, and Tailwind CSS for responsive and modern UI design.
 - Integrated Appwrite as the backend platform to manage user authentication, store blog posts, and handle media uploads such as photos, ensuring secure and efficient data management.
- ❖ **MY PORTFOLIO** ([Link](#))
 - Built an interactive portfolio website with *React.js* to showcase skills and projects.
 - Implemented components-based architecture for a clean and scalable user interface.
- ❖ **PRACTICE PROJECTS**
 - To-Do App
 - Calculator

EDUCATION

- ❖ Bachelors of Technology in CSE | DIT University, Dehradun CGPA: 8.8 | till 6th Sem
- ❖ Intermediate (CBSE) | SCR Public School, Gurgaon 94.8%| 2021
- ❖ Matriculation (CBSE) | SCR Public School, Gurgaon 92%|2019

ACADEMIC ACHIEVEMENTS

- ❖ **Contribution:** Non-Coding contribution during the **Hacktoberfest 2023**.
- ❖ **DSA Questions:** Solved 150+ Questions in JAVA on *LeetCode* (Username:manish_1902) and *Geeks for Geek* (Username:aboutmadvo4).

CERTIFICATIONS

- ❖ **Introduction to Web Development:** HTML, CSS, JAVASCRIPT.
- ❖ **Introduction to Software Engineering** (Coursera)
- ❖ **Fundamentals of Network Communication** (Coursera)

HOBBIES / STRENGTH

- ❖ Problem-Solving Challenges, Coding Projects, Listening-Music, Fitness(Gym).
- ❖ Leadership, Attention to Detail, Team Collaboration, Patient, Flexible, Adaptability, Problem-Solving Skills.

EXTRA CURRICULAR & CO-CURRICULAR ACHIEVEMENTS

- ❖ Treasurer at the CodeGenX Club at DIT University, fostering a passion for coding among students.
- ❖ Won gold medal in Karate Competition (Yellow Belt Holder).
